The academy operates a ZERO EXCLUSION STRATEGY. In order to implement this strategy, we require full parental cooperation in the following areas:

- Parents are required to support our behaviour policy by agreeing to all sanctions. This includes same day detentions, weekend and holiday time detentions.
- The academy has the right to search a student for any contraband.
- The academy operates a policy of compulsory drug testing if suspicion is raised that a child has engaged in substance misuse.
- School will contact the police or remove the child from the premises if substance misuse is suspected. In this is the case, a referral to social services and safeguarding will be made.
- The academy will arrange intervention for any student suspected of taking illegal substances. This intervention must be attended by both student and parent.

The academy does not tolerate the following behaviours

- Damage to property, this includes graffiti, vandalism and ICT equipment.
- Anti-social behaviour during school or out of school hours. This includes fighting, smoking, E-cigarettes, alcohol or any other illegal or prohibited substances on or near the premises.
- Intimidating or threatening behaviour towards staff, students, or any member of the public.
- Refusal of a direct instruction issued by a member of staff or parent.
- Any form of bullying, racism or sexual harassment towards students and adults during school/online or out of school hours.
- Arguing back and repeated low-level disruption to the learning of others

If a student repeatedly breaks the rules, the academy can and will make provision for them to be educated elsewhere within the Multi Academy Trust.

*Referral to external provision will be guided by Governors. This will result in the child being directed to attend our referral unit at King's Liverpool in Dingle Vale, which is part of the Great Schools Trust. Transport to this venue will **not** be provided by King's Warrington or the Trust.*
